

## 180KW 5 T Electric Wheel Loader

Hilima Company is a professional manufacturer of large-scale engineering vehicles and new energy vehicles. You can rest assured to buy customized 180KW 5 T Electric Wheel loader from us. Our focus is on maintaining a high level of professionalism, service, and quality. We cordially invite customers to visit us for consultation.

### 1. Product introduction of the 180KW 5 T ELECTRIC WHEEL loader

180KW 5 T ELECTRIC WHEEL loader is one of our flagship products. It is popular among customers for its low price, durability and powerful horsepower. Our product advantages are as follows:

- The body, head and arm of the whole car are made of high strength manganese steel, which is resistant to extrusion and wear and no deformation.
- The whole car body adopts baking process, paint adhesion is strong, never change color.
- The bucket adopts computer optimization design, single tip bucket cylinder, "Z-shaped rotary bucket structure", to achieve a huge shovel force.
- The whole car adopts the oil cylinder imported from Japan, durable.

·180KW switched reluctance motor, low energy consumption, high efficiency. The comprehensive energy consumption is only one third of that of traditional diesel engines.

## 2. Product parameter of the 180KW 5 T ELECTRIC WHEEL loader

performance	overall dimensions(mm)	8250*2980*3480
	rated load(kg)	5000
	bucket capacity(m3)	3.0
	operating weight(kg)	16800
	dumping height(mm)	3180

## 3. Product feature and application of the 5 T 180KW ELECTRIC WHEEL loader

### Detailed parameters

Tel: +86-13969325101

E-mail: [zlh7611@hotmail.com](mailto:zlh7611@hotmail.com)

Electric motor	Motor model	180KW Water cooling
	rated power (KW)	180
	type	Switched reluctance motor
transmission	Gearbox	Planetary structure, power shift
	converter	315
	gear shift	Planetary power shift, 2F1R
	model of axle	Helical bevel gear, first reduction
tyre	tyre size	23.5-25
	service braking	Air-on-oil caliper-disc
