

## 7 T Diesel Loader

You are welcomed to come to our factory to buy the latest selling, low price, and high-quality 7 T diesel loader. Hilima's products are preferred by customers in a number of industries for two reasons: they are designed and manufactured to high quality standards, and they are reasonably price.

### 1. Product introduction of the 7 T diesel loader

7 T diesel loader is one of our flagship products. It is popular among customers for its low price, durability and powerful horsepower. Our product advantages are as follows:

- The body, head and arm of the whole car are made of high strength manganese steel, which is resistant to extrusion and wear and no deformation.
- The whole car body adopts baking process, paint adhesion is strong, never change color.
- The bucket adopts computer optimization design, single tip bucket cylinder, "Z-shaped rotary bucket structure", to achieve a huge shovel force.
- The whole car adopts the oil cylinder imported from Japan, durable.

### 2. Product parameter of the 7 T diesel loader

performance	overall dimensions(mm)	8860*3430*3478

	rated load(kg)	7000
	bucket capacity(m <sup>3</sup> )	3.0
	operating weight(kg)	19700
	dumping height(mm)	3050

### 3. Product feature and application of the 7 T diesel loader

### Detailed parameters

engine	engine model	WEICHAI WD10G220E21
	rated power (KW)	192
	type	inline, water cooling, four stroke, direct injection, 6cylinder, turbo charge
transmission	Gearbox	counter shaft power shift
	converter	315
	gear shift	Planetary power shit, 2F1R
